

# LAING HAWAI`I SUGGESTED DONATION CHART

Our programming is brought to you FREE thanks to Hawai'i People's Fund and community support like yours. If you have the means to donate we encourage you to do so by using the chart below to guide your donation.

[Still unsure about your financial privilege? Click here.](#)

Please also note that this program is wholly community funded and run in Hawai`i. If you are joining from outside of this community please consider a donation more towards the right of the scale. If you are white or of non-Filipino descent with accumulated wealth please also consider a donation more towards the right of the scale as you will be consuming education from non-white people.
